

Crossroads has had successful retreats such as Kairos this past spring. The teens had a wonderful experience to deepen their faith. Crossroads has also given the opportunity for teens to do service. This past Easter, we helped second graders in the YC program decorate and then donate Easter baskets to underprivileged children. Home group meetings have been continuing and are wrapping up another great year.

With input from teens, volunteers and parents, Katie has been working to put together a strategic plan for adaptations to our Crossroads Youth Ministry. We know that we provide outstanding ministry to, by and with our teens and want to share that with more of our parish teen population through greater communication, a stronger Adult presence with our Advisory Board and inclusion and collaboration with parents. At the leader's end of the year meeting on May 19th she will share the specifics and finalize details.

Patrick Falvey, Crossroads PAC Rep
